

IN THE CLAIMS:

✓ Please cancel claims 4-8, 10 and 11 without prejudice.

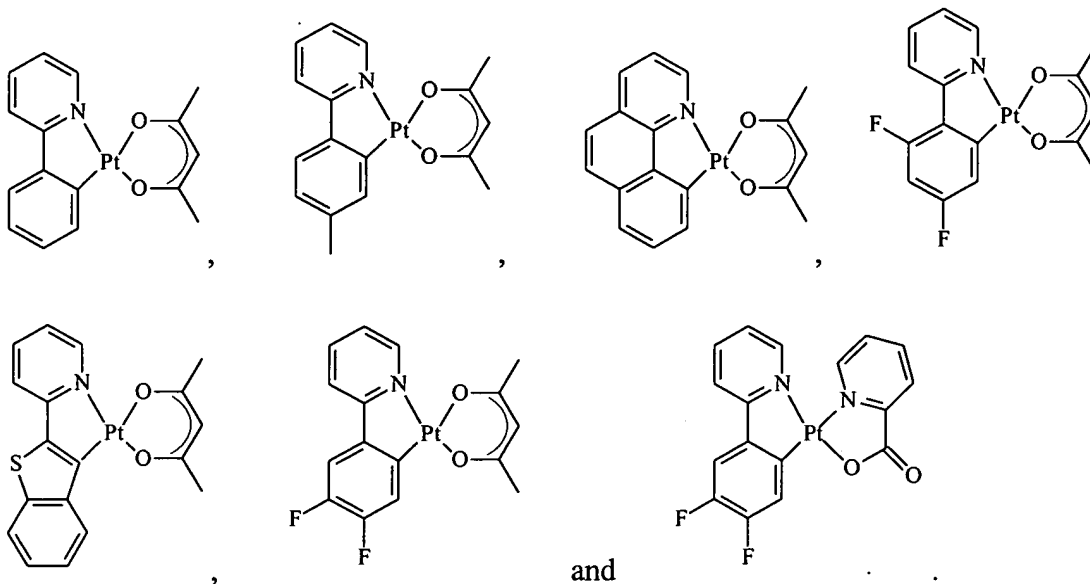

✓ Please amend claims 9 and 12 as follows:

1/9.

(Amended) An organic light emitting device including an emissive layer comprising an organometallic compound, wherein the organometallic compound has a chemical structure represented by a formula selected from the group consisting of:

T0260

B1

c

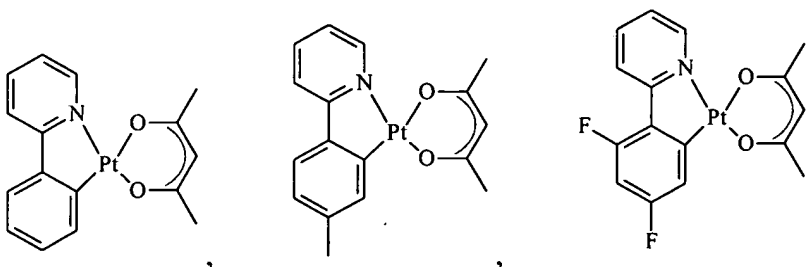

2/12.

(Amended) An organometallic compound ~~comprising:~~

c

~~a compound~~ having a chemical structure represented by a formula selected from the group consisting of:

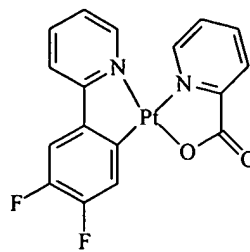

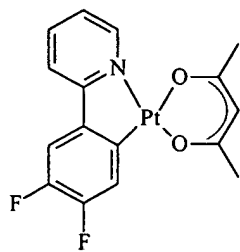

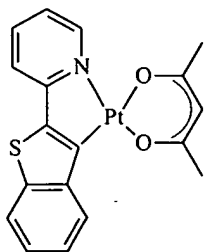

T0261
B2

[2]

26

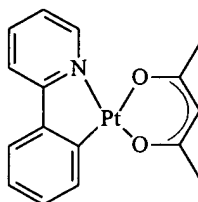

B

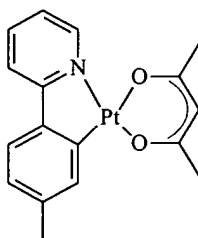

and

✓ Please add new claims 13-19 as follows:

3. (New) The organic light emitting device of claim 9, wherein the organometallic compound has a chemical structure represented by the formula:

4. (New) The organic light emitting device of claim 9, wherein the organometallic compound has a chemical structure represented by the formula:

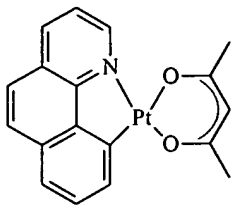

5. (New) The organic light emitting device of claim 9, wherein the organometallic compound has a chemical structure represented by the formula:

{3}

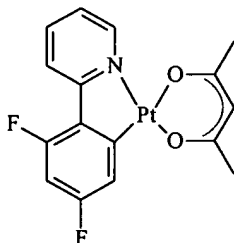

27

B

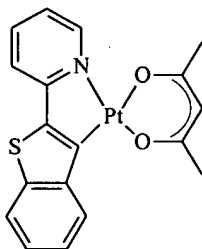

T0280

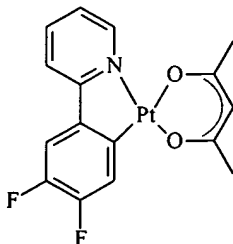

~~6~~ 18. (New) The organic light emitting device of claim ~~9~~, wherein the organometallic compound has a chemical structure represented by the formula:

~~7~~ 18. (New) The organic light emitting device of claim ~~9~~, wherein the organometallic compound has a chemical structure represented by the formula:

~~8~~ 18. (New) The organic light emitting device of claim ~~9~~, wherein the organometallic compound has a chemical structure represented by the formula:

[4]
